

Security Flash

Road safety

- Plan your route, leave on time and respect the speed limit.
- Always keep a safe distance.
- Wear sunglasses at low sun.
- Be alert and keep the music at a low volume.
- Take the training course 'Safe to work'.

- Wear a safety vest, a helmet, and make sure you have good lighting.
- Earbuds out, focus on.
- Respect the right-of-way rules.
- Drive defensively as a (vulnerable) road user.
- Make eye contact with other road users.

- Be careful on wet roads, or in case of leaves or mud.
- Reduce your speed and brake before the bend.
- Consider using public transport.
- Watch where you're going or riding.
- Pick up a safety vest at your office.
